Dear Sir /Madam,

Greetings of the day!

In this time of uncertainty and unprecedented global challenge I hope you are keeping safe. I thank all the esteemed members of the **Society of Clinical Anatomists (SOCA)** for electing me as **Editor-in-Chief of *National Journal of Clinical Anatomy(NJCA)***, an official journal of **SOCA**. I am truly honoured by the trust you have instilled in me and am very excited to get to work. With the support of team members, we intend to establish a high-quality, refereed journal of CLINICAL ANATOMY.

In this process, I am pleased to invite you to join the editorial board of NJCA.

The quality of the Reviewers and Editorial Board reflects the quality of the Journal. **NJCA** is in search of well qualified, active, and dedicated academicians and researchers to join this network as Reviewers and then subsequently as editorial board members based on their contribution.

We assure **30 days** of the peer review process that Includes-Plagiarism check, Editor-in-Chief/Joint Editor acceptance to review; assigning to 2 editors and in turn editors assigns the article to reviewers. The accepted manuscripts will be published within **4 months** of article acceptance.

Criteria to becoming Reviewer of NJCA is as following:

- Experience as an academician or researcher with an academic degree like **MD/MS** with a minimum of 03 years of teaching or research experience.
- A minimum of 10-15 publications of articles (preferably indexed in PubMed/Scopus) and /or books in his/ her specific research field.
- The contextual and holistic view of the Committee on Publication Ethics (COPE) 'Code of Conduct and Best Practice Guidelines for Journal Editors'.
- Proficiency in the English
